

SCDA ITWO Conference Set

Wednesday, 14 March 2007

Hello dear members,

It's been in quite a demand lately, here it is the SCDA ITWO Conference Set. 3 poses embedded in the chair thanks to Miko, just click the chair to switch. Perfect for corporate meetings or group discussions. If you already own the ITWO set, you'll find this a nice complement.

Feedback from my valued members is always welcomed and appreciated.

More to come very soon.

Thank you.
